(b) Wayne RESA may issue a Stop Work Order if the material is a Hazardous Material that may present a substantial danger and the Hazardous Material was not brought to the site by the Contractor, or does not wholly or partially result from any violation by the Contractor of any laws covering the use, handling, storage, disposal of, processing, transport and transfer of Hazardous Materials. Wayne RESA may remove the Hazardous Material, render it harmless, or terminate the affected work for Wayne RESA's convenience.

(c) If the Hazardous Material was brought to the site by the Contractor, or wholly or partially results from any violation by the Contractor of any laws covering the use, handling, storage, disposal of, processing, transport and transfer of Hazardous Material, or from any other act or omission within the control of the Contractor, the Contractor must bear its proportionate share of the delay and costs involved in cleaning up the site and removing and rendering harmless the Hazardous Material according to applicable laws.

5.2 Media Releases

News releases (including promotional literature and commercial advertisements) pertaining to the solicitation and this Contract or the project to which it relates will not be made without prior approval by Wayne RESA, and only in accordance with the instructions from Wayne RESA.

5.3 Antitrust Assignment

The Contractor assigns to Wayne RESA any claim for overcharges resulting from county or federal antitrust violations to the extent that those violations concern materials or services supplied by third parties toward fulfillment of the Contract.

5.4 Legal Effect

Wayne RESA is not liable for costs incurred by the Contractor or for payment(s) under this contract until the Contractor is authorized to perform.

5.5 Entire Agreement

This Contract constitutes the entire agreement between the parties with respect to the subject matter herein and supersedes all prior agreements, whether written or oral. All attachments and exhibits specifically referenced and attached to this contract are hereby incorporated by reference in their entirety and form an integral part of this contract.

5.6 Order of Precedence

In the event of any inconsistency or conflict between the documents forming this contract, such inconsistency shall be resolved by giving precedence in the following descending order:

- (a) Attachment B – Federal Contract Provisions and Compliance Requirements (if WRESA funding source requires);
- (b) Mandatory sections (Contract Term, Legal Effect, Insurance, Indemnification, Termination, Governing Law, Limitation of Liability);
- (c) The most recent Statement of Work expressly made part of this Contract;
- (d) The Terms and Conditions as set forth in Section 3.0 of this Contract, excluding the sections listed in subsection (a);

- (e) Any Purchase Order, Direct Voucher, or Procurement Card Order issued pursuant to this Contract;
- (f) ATTACHMENT A – SOW (RFP Requirements and Proposer's responses to the RFP);
- (g) Any other document expressly incorporated by reference into this Contract.

Future amendments or additional Statements of Work, once duly executed, shall take precedence over the corresponding sections of this Contract.

5.7 Headings

The captions and section headings used in this Contract are for convenience only and may not be used to interpret the scope and intent of this Contract.

5.8 Reformation and Severability

Each provision of the Contract is severable from all other provisions of the contract. If any provision of this contract is held unenforceable, then the contract will be modified to reflect the parties' original intent. All remaining provisions of the Contract remain in full force and effect.

5.9 Approval

Unless otherwise provided in this Contract, approval(s) must be in writing and must not be unreasonably withheld or delayed.

5.10 No Waiver of Default

Failure by a party to insist upon strict adherence to any term of the Contract does not waive that party's right to later insist upon strict adherence to that term, or any other term, of the Contract.

5.11 Survival

The provisions of this Contract that impose continuing obligations, including warranties, indemnification, and confidentiality, will survive the expiration or termination of this Contract.

5.12 Reserved

5.13 Cooperation with Third Parties

The Contractor and its Subcontractors must cooperate with Wayne RESA and its agents and other Contractors, including Wayne RESA's quality assurance personnel. The Contractor must provide reasonable access to its personnel, systems, and facilities related to the Contract to the extent that access will not interfere with or jeopardize the safety or operation of the systems or facilities.

5.14 Relationship of the Parties

The relationship between Wayne RESA and Contractor is that of client and independent contractor. No agent, employee, or servant of the Contractor, or any of its subcontractors, is an employee, agent or servant of Wayne RESA. The Contractor will be solely and entirely responsible for its acts and the acts of its agents, employees, servants, and subcontractors during the performance of the Contract.

5.15 Time of Performance

(a) The Contractor must immediately notify Wayne RESA upon becoming aware of any circumstances that may reasonably be expected to jeopardize the completion of any Deliverable(s) by the scheduled due dates in the latest Wayne RESA-approved delivery schedule and must inform Wayne RESA of the projected actual delivery date.

(b) If the Contractor believes that a delay in performance by Wayne RESA has caused or will cause the Contractor to be unable to perform its obligations according to specified contract time periods, the Contractor must immediately notify Wayne RESA and, to the extent practicable, continue to perform its obligations according to the contract time periods. The Contractor will not be in default for a delay in performance to the extent the delay is caused by Wayne RESA

5.16 Excusable Failure

Neither party will be liable for any default, damage or delay in the performance of its obligations that is caused by government regulations or requirements, power failure, electrical surges or current fluctuations, war, forces of nature or acts of God, delays or failures of transportation, equipment shortages, Contractors' failures, acts or omissions of common carriers, fire, riots, civil disorders, labor disputes, embargoes, injunctions (provided the injunction was not issued as a result of any fault or negligence of the party seeking to have its default or delay excused), or any other cause beyond the reasonable control of a party; provided the non-performing party and any Subcontractors are without fault in causing the default or delay, and the default or delay could not have been prevented by reasonable precautions and cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans, or other means, including disaster recovery plans.

If a party does not perform its contractual obligations for any of the reasons listed, the non-performing party will be excused from any further performance of its affected obligation(s) for as long as the circumstances prevail. The non-performing party must promptly notify the other party immediately after the excusable failure occurs, and when it abates or ends. Both parties must use commercially reasonable efforts to resume performance.

If any of the reasons listed substantially prevent, hinder, or delay the Contractor's performance of the deliverable(s) for more than 10 days, and Wayne RESA reasonably determines that performance is not likely to be resumed within a period of time that is satisfactory to Wayne RESA, Wayne RESA may: (a) procure the affected deliverable(s) from an alternate source without liability for payment so long as the delay in performance continues; or (b) terminate any portion of the Contract so affected and equitably adjust charges payable to the Contractor to reflect those deliverable(s) that are terminated. Wayne RESA must pay for all deliverable(s) for which Final Acceptance has been granted before the termination date.

The Contractor will not have the right to any additional payments from Wayne RESA as a result of any Excusable Failure or to payments for deliverable(s) not provided as a result of the Excusable Failure. The Contractor will not be relieved of a default or delay caused by acts or omissions of its Subcontractors except to the extent that a Subcontractor experiences an Excusable Failure and the Contractor cannot reasonably circumvent the effect of the Subcontractor's default or delay in performance through the use of alternate sources, workaroud plans, or other means, including disaster recovery plans.

5.17 Retention of Records

(a) The Contractor must retain all financial and accounting records related to this Contract for a period of seven years after the Contractor performs any work under this contract (Audit Period).

(b) If an audit, litigation, or other action involving the Contractor's records is initiated before the end of the Audit Period, the Contractor must retain the records until all issues arising out of the audit, litigation, or other action are resolved or until the end of the Audit Period, whichever is later.

5.18 Examination of Records

Wayne RESA, upon ten (10) days notice to the Contractor, may examine and copy any of the Contractor's records that relate to this contract. Wayne RESA does not have the right to review any information deemed confidential by the Contractor if access would require the information to become publicly available. This requirement also applies to the records of any parent, affiliate, or subsidiary organization of the Contractor, or any Subcontractor that performs services in connection with this contract.

5.19 Audit Resolution

If necessary, the Contractor and Wayne RESA will meet to review any audit report promptly after its issuance. The Contractor must respond to each report in writing within thirty (30) days after receiving the report, unless the report specifies a shorter response time. The Contractor and Wayne RESA must develop, agree

upon, and monitor an action plan to promptly address and resolve any deficiencies, concerns, or recommendations in the report.

5.20 Errors

(a) If an audit reveals any financial errors in the records provided to Wayne RESA, the amount in error must be reflected as a credit or debit on the next invoice and subsequent invoices until the amount is paid or refunded in full. However, a credit or debit may not be carried forward for more than four invoices or beyond the termination of the contract. If a balance remains after four invoices, the remaining amount will be due as a payment or refund within forty-five (45) days of the last invoice on which the balance appeared or upon termination of the contract, whichever is earlier.

(b) In addition to other available remedies, if the difference between Wayne RESA's actual payment and the correct invoice amount, as determined by an audit, is greater than 10%, the Contractor must pay all reasonable audit costs.

5.21 Disclosure of Litigation

(a) Within thirty (30) days after receiving notice of any litigation, investigation, arbitration, or other proceeding (collectively, "Proceeding") that arises during the term of this Contract, the Contractor must disclose the following to the Contract Administrator:

- (i) A criminal Proceeding involving the Contractor (or any Subcontractor) or any of its officers or directors;
- (ii) A parole or probation proceeding;
- (iii) A proceeding involving the Contractor (or any Subcontractor) or any of its officers or directors under the Sarbanes-Oxley Act; and
- (iv) A civil proceeding to which the Contractor (or, if the Contractor is aware, any Subcontractor) is a party, and which involves (A) a claim that might reasonably be expected to adversely affect the viability or financial stability of the Contractor or any Subcontractor; or (B) a claim or written allegation of fraud against the Contractor (or, if the Contractor is aware, any Subcontractor) by a governmental or public entity arising out of the Contractor's business dealings with governmental or public entities.

(b) Information provided to Wayne RESA from the Contractor's publicly filed documents will satisfy the requirements of this Section.

(c) If any proceeding that is disclosed to Wayne RESA or of which Wayne RESA otherwise becomes aware, during the term of this Contract, would cause a reasonable party to be concerned about:

- (i) the ability of the Contractor (or a Subcontractor) to continue to perform this Contract; or

(ii) whether the Contractor (or a Subcontractor) is engaged in conduct that is similar in nature to the conduct alleged in the Proceeding and would constitute a breach of this contract or a violation of federal or state law, regulations, or public policy, then the Contractor must provide Wayne RESA all requested reasonable assurances that the Contractor and its Subcontractors will be able to continue to perform this contract.

5.22 Other Disclosures

The Contractor must notify Wayne RESA Administrator within 30 days of:

- (a) becoming aware that a change in the Contractor's ownership or officers has occurred or is certain to occur; or
- (b) any changes to company affiliations.

5.23 CoPro+ Requirements

- (a) The Contractor will work with CoPro+ to ensure that all purchasers are members before extending the Contract pricing.
- (b) To the extent that CoPro+ Members purchase Deliverable(s) under this contract, the quantities of Deliverable(s) purchased will be included in determining the appropriate rate wherever tiered pricing based on quantity is provided.
- (c) The Contractor must submit invoices to and receive payment from CoPro+ Members, Participating Entities, on a direct and individual basis.

6. Insurance

6.1 Liability Insurance

For the purpose of this Section, "Wayne RESA" includes its departments, divisions, agencies, offices, commissions, officers, employees, and agents.

(a) The following apply to all insurance requirements:

- (i) Wayne RESA, in its sole discretion, may approve the use of a fully-funded self-insurance program in place of any specified insurance identified in this Section.
- (ii) Where specific coverage limits are listed in this Section, they represent the minimum acceptable limits. If the Contractor's policy contains higher limits, Wayne RESA is entitled to coverage to the extent of the higher limits. The minimum limits of coverage specified are not intended, and may not be construed to limit any liability or indemnity of the Contractor to any indemnified party or other persons.
- (iii) If the Contractor fails to pay any premium for a required insurance policy, or if any insurer cancels or significantly reduces any required insurance without Wayne RESA's approval, Wayne RESA may, after giving the Contractor at least 30-days notice, pay the premium or procure similar insurance coverage from

another company or companies. Wayne RESA may deduct any part of the cost from any payment due the Contractor, or require the Contractor to pay that cost upon demand.

(b) The Contractor must:

(i) provide proof that it has obtained the minimum levels of insurance coverage indicated or required by law, whichever is greater. The insurance must protect Wayne RESA from claims that are alleged or may arise or result from the Contractor's or a Subcontractor's performance, including any person directly or indirectly employed by the Contractor or a Subcontractor, or any person for whose acts the Contractor or a Subcontractor may be liable.

(ii) waive all rights against Wayne RESA for the recovery of damages that are covered by the insurance policies the Contractor is required to maintain under this Section. The Contractor's failure to obtain and maintain the required insurance will not limit this waiver.

(iii) ensure that all insurance coverage provided relative to this Contract is primary and non-contributing to any comparable liability insurance (including self-insurance) carried by Wayne RESA

(iv) obtain insurance, unless Wayne RESA approves otherwise, from any insurer that has an A.M. Best rating of "A" or better and a financial size of VII or better, or if those ratings are not available, a comparable rating from an insurance rating agency approved by Wayne RESA. All policies of insurance must be issued by companies that have been approved to do business in Wayne RESA

(v) maintain all required insurance coverage throughout the term of this Contract and any extensions. However, in the case of claims-made Commercial General Liability policies, the Contractor must secure tail coverage for at least three years following the termination of this Contract.

(vi) pay all deductibles.

6.2 Subcontractor Insurance Coverage

Except where Wayne RESA has approved a subcontract with other insurance provisions, the Contractor must require any Subcontractor to purchase and maintain the insurance coverage required in Section 6.1, Liability Insurance. Alternatively, the Contractor may include a Subcontractor under the Contractor's insurance on the coverage required in that Section. The failure of a Subcontractor to comply with insurance requirements does not limit the Contractor's liability or responsibility.

6.3 Certificates of Insurance and Other Requirements

Before the Contract is signed, and not less than twenty (20) days before the insurance expiration date every year thereafter, the Contractor must provide evidence that Wayne RESA and its agents, officers, and employees are listed as

additional insured's under each commercial general liability and commercial automobile liability policy. The Contractor must provide Wayne RESA Administrator with all applicable certificates of insurance verifying insurance coverage or providing satisfactory evidence of self-insurance as required in Section 6.1, Liability Insurance. Each certificate must be on the standard "accord" form or equivalent and **MUST CONTAIN THE APPLICABLE CONTRACT OR PURCHASE ORDER NUMBER**. Each certificate must be prepared and submitted by the insurer and must contain a provision indicating that the coverage afforded will not be cancelled, materially changed, or not renewed without thirty (30) days prior notice, except for ten (10) days for nonpayment of premium, to Wayne RESA Administrator.

7. Indemnification

7.1 General Indemnification

To the extent permitted by law, the Contractor must indemnify, defend, and hold Wayne RESA harmless from liability, including all claims and losses, and all related costs and expenses (including reasonable attorneys' fees and costs of investigation, litigation, settlement, judgments, interest and penalties), accruing or resulting to any person, firm, or corporation that may be injured or damaged by the Contractor in the performance of this Contract and that are attributable to the negligence or tortious acts of the Contractor, any of its subcontractors, or by anyone else for whose acts any of them may be liable.

7.2 Employee Indemnification

In any claims against Wayne RESA, its departments, agencies, commissions, officers, employees, and agents, by any employee of the Contractor or any of its subcontractors, the indemnification obligation will not be limited in any way by the amount or type of damages, compensation, or benefits payable by or for the Contractor or any of its subcontractors under worker's disability compensation acts, disability benefit acts, or other employee benefit acts. This indemnification clause is intended to be comprehensive. Any overlap in provisions, or the fact that greater specificity is provided as to some categories of risk, is not intended to limit the scope of indemnification under any other provisions.

7.3 Patent/Copyright Infringement Indemnification

(a) To the extent permitted by law, the Contractor must indemnify and hold Wayne RESA harmless from liability, including all claims and losses, and all related costs and expenses (including reasonable attorneys' fees and costs of investigation, litigation, settlement, judgments, interest, and penalties) resulting from any action threatened or brought against Wayne RESA to the extent that the action is based on a claim that any piece of equipment, software, commodity, or service supplied by the Contractor or its subcontractors, or its operation, use, or reproduction, infringes any United States patent, copyright, trademark or trade secret of any person or entity.

(b) If, in Wayne RESA's or the Contractor's opinion, any piece of equipment, software, commodity or service supplied by the Contractor or its subcontractors, or its operation, use, or reproduction, is likely to become the subject of an infringement claim, the Contractor must, at its expense: (i) procure for the State the right to continue using the equipment, software, commodity or service or, if this option is not reasonably available to the Contractor; (ii) replace or modify to Wayne RESA's satisfaction the same with equipment, software, commodity or service of equivalent function and performance so that it becomes non-infringing, or, if this option is not reasonably available to Contractor; (iii) accept its return by Wayne RESA with appropriate credits to Wayne RESA against the Contractor's charges and reimburse Wayne RESA for any losses or costs incurred as a consequence of Wayne RESA ceasing its use and returning it.

(c) Notwithstanding the foregoing, the Contractor has no obligation to indemnify or defend Wayne RESA for, or to pay any costs, damages or attorneys' fees related to, any infringement claim based upon: (i) equipment, software, commodity or service developed based on written specifications of Wayne RESA; (ii) use of the equipment, software, or commodity in a configuration other than implemented or approved by the Contractor, including any modification of the same by Wayne RESA; or (iii) the combination, operation, or use of the equipment, software, or commodity with equipment, software, or commodities not supplied by the Contractor under this Contract.

7.4 Continuing Obligation

The Contractor's duty to indemnify continues in full force and effect, notwithstanding the expiration or early cancellation of the contract, with respect to any claims based on facts or conditions that occurred before expiration or cancellation.

7.5 Limitation of Liability

Neither the Contractor nor Wayne RESA is liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages. This limitation of liability does not apply to claims for infringement of United States patent, copyright, trademark or trade secrets; to claims for personal injury or damage to property caused by the gross negligence or willful misconduct of the Contractor; to claims covered by other specific provisions of this contract calling for liquidated damages; or to court costs or attorneys' fees awarded by a court in addition to damages after litigation based on this.

8. Warranties

8.1 Warranties and Representations

The Contractor represents and warrants:

None of the Deliverable(s) provided by Contractor to Wayne RESA, nor their use by Wayne RESA, will infringe the patent, trademark, copyright, trade secret, or other proprietary rights of any third party.
- (d) If the Contractor procures any equipment, software, or other Deliverable(s) for Wayne RESA (including equipment, software, and other Deliverable(s) manufactured, re-marketed or otherwise sold by the Contractor or under the Contractor's name), then the Contractor must assign or otherwise transfer to Wayne RESA or its designees, or afford Wayne RESA the benefits of, any manufacturer's warranty for the Deliverable(s).
- (e) The contract signatory has the authority to enter into this contract on behalf of the Contractor.
- (f) It is qualified and registered to transact business in all locations where required.
- (g) Neither the Contractor nor any affiliates, nor any employee of either, has, will have, or will acquire, any interest that would conflict in any manner with the Contractor's performance of its duties and responsibilities to Wayne RESA or otherwise create an appearance of impropriety with respect to the award or performance of this contract. The Contractor must notify Wayne RESA about the nature of any conflict or appearance of impropriety within two days of learning about it.
- (h) Neither the Contractor nor any affiliates, nor any employee of either, has accepted or will accept anything of value based on an understanding that the actions of the Contractor, its affiliates, or its employees on behalf of Wayne RESA would be influenced. The Contractor must not attempt to influence any Wayne RESA employee by the direct or indirect offer of anything of value.
- (i) Neither the Contractor nor any affiliates, nor any employee of either, has paid or agreed to pay any person, other than bona fide employees and consultants working solely for the Contractor or the affiliate, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of this Contract.

(j) The Contractor arrived at its proposed prices independently, without communication or agreement with any other Proposer for the purpose of restricting competition. The Contractor did not knowingly disclose its quoted prices for this contract to any other Proposer before the award of the contract. The Contractor made no attempt to induce any other person or entity to submit or not submit a proposal for the purpose of restricting competition.

(k) All financial statements, reports, and other information furnished by the Contractor to Wayne RESA in connection with the award of this contract fairly and accurately represent the Contractor's business, properties, financial condition, and results of operations as of the respective dates covered by the financial statements, reports, or other information. There has been no material adverse change in the Contractor's business, properties, financial condition, or results of operation.

(l) All written information furnished to Wayne RESA by or for the Contractor in connection with the award of this contract is true, accurate, and complete, and contains no false statement of material fact nor omits any material fact that would make the submitted information misleading.

(m) It will immediately notify Wayne RESA Administrator if any of the certifications, representations, or disclosures made in the Contractor's original bid response change after the contract is awarded.

8.2 Warranty of Merchantability

The Deliverable(s) provided by the Contractor must be merchantable.

8.3 Warranty of Fitness for a Particular Purpose

The Deliverable(s) provided by the Contractor must be fit for the purpose(s) identified in this contract.

8.4 Warranty of Title

The Contractor must convey good title to any Deliverable(s) provided to Wayne RESA. All Deliverable(s) provided by the Contractor must be delivered free from any security interest, lien, or encumbrance of which Wayne RESA, at the time of contracting, has no knowledge. Deliverable(s) provided by the Contractor must be delivered free of any rightful claim of infringement by any third person.

8.5 Consequences for Breach

In addition to any remedies available in law, if the Contractor breaches any of the warranties contained in Section 8, Warranties, the breach may be considered a material default.

9. Contract Administration

9.1 Issuing Office

This Contract is issued by Wayne RESA on behalf of all counties and local units of government. Wayne RESA Administrator or designee is the only entity authorized to modify the terms and conditions of this contract, including the prices and specifications. The Contract Administrator will be designated at the time of the contract award.

9.2 Contract Administrator

The Contract Administrator will monitor and coordinate contract activities on a reasonable basis.

9.3 Contract Changes

(a) If Wayne RESA requests or directs the Contractor to provide any Deliverable(s) that the Contractor believes are outside the scope of the Contractor's responsibilities under the contract, the Contractor must notify Wayne RESA before performing the requested activities. If the Contractor fails to notify Wayne RESA, any activities performed will be considered in-scope and not entitled to additional compensation or time. If the Contractor begins work outside the scope of the contract and then ceases performing that work, the Contractor must, at the request of Wayne RESA, retract any out-of-scope work that would adversely affect the contract.

(b) Wayne RESA or the Contractor may propose changes to the contract. If the Contractor or Wayne RESA requests a change to the Deliverable(s) or if Wayne RESA requests additional Deliverable(s), the Contractor must provide a detailed outline of all work to be done, including tasks, timeframes, listing of key personnel assigned, estimated hours for each individual per Deliverable, and a complete and detailed cost justification. If the parties agree on the proposed change, Wayne RESA Administrator will prepare and issue a notice that describes the change, its effects on the Deliverable(s), and any affected components of the contract (Contract Amendment).

(c) No proposed change may be performed until Wayne RESA issues a duly executed Contract Amendment for the proposed change.

9.4 Reserved

9.5 Covenant of Good Faith

Each party must act reasonably and in good faith. Unless otherwise provided in this contract, the parties will not unreasonably delay, condition or withhold their consent, decision, or approval any time it is requested or reasonably required in order for the other party to perform its responsibilities under the contract.

9.6 Assignments

(a) Neither party may assign this contract, or assign or delegate any of its duties or obligations under the contract, to another party (whether by operation of law or otherwise), without the prior approval of the other party. Wayne RESA may, however, assign this contract to any other Wayne RESA, or local unit of government without the prior approval of the Contractor.

(b) If the Contractor intends to assign this contract or any of the Contractor's rights or duties under the contract, the Contractor must notify Wayne RESA and provide adequate information about the assignee at least ninety (90) days before the proposed assignment or as otherwise provided by law or court order. Wayne RESA may withhold approval from proposed assignments, subcontracts, or novations if Wayne RESA determines, in its sole discretion, that the transfer of responsibility would decrease Wayne RESA's likelihood of receiving performance on the contract or Wayne RESA's ability to recover damages.

(c) If Wayne RESA permits an assignment of the Contractor's right to receive payments, the Contractor is not relieved of its responsibility to perform any of its contractual duties. All payments must continue to be made to one entity.

9.7 Criminal Background Checks

Contractor hereby certifies that any employees, subcontractors and volunteers of the Contractor who will have duties related to the contracted services; have passed a criminal history background check if required.

10. Acceptance of Deliverables

10.1 Delivery Responsibilities

Unless otherwise specified by Wayne RESA, the following are applicable to all deliveries:

(a) The Contractor is responsible for delivering the deliverable(s) by the applicable delivery date to the location(s) specified in the SOW or individual Purchase Order.

(b) The Contractor must ship the deliverable(s) "F.O.B. Destination, within Government Premises."

(c) Wayne RESA will examine all packages at the time of delivery. The quantity of packages delivered must be recorded and any obvious visible or suspected damage must be noted at the time of delivery using the shipper's delivery document(s) and appropriate procedures to record the damage.

10.2 Process for Acceptance of Deliverable(s)

Wayne RESA's review period for acceptance of the deliverable(s) is governed by the applicable Statement of Work, and if the Statement of Work does not specify

Wayne RESA's review period, it is by default thirty (30) days for a deliverable (Wayne RESA Review Period). Wayne RESA will notify the Contractor by the end of Wayne RESA Review Period that either:

- (a) the deliverable is accepted in the form delivered by the Contractor;
- (b) the deliverable is accepted, but noted deficiencies must be corrected; or
- (c) the deliverable is rejected along with notation of any deficiencies that must be corrected before acceptance of the deliverable.

If Wayne RESA delivers to the Contractor a notice of deficiencies, the Contractor will correct the described deficiencies and within thirty (30) Days resubmit the deliverable(s) with an explanation that demonstrates all corrections have been made to the original deliverable(s). The Contractor's correction efforts will be made at no additional charge. Upon receipt of a corrected deliverable from the Contractor, Wayne RESA will have a reasonable additional period of time, not to exceed 30 Days, to accept the corrected deliverable.

10.3 Acceptance of Deliverable(s)

- (a) Wayne RESA's obligation to comply with any Wayne RESA Review Period is conditioned on the timely delivery of the deliverable(s). Wayne RESA Review Period will begin on the first business day following Wayne RESA's receipt of the deliverable(s).
- (b) Wayne RESA may inspect the deliverable to confirm that all components have been delivered without material deficiencies. If Wayne RESA determines that the deliverable or one of its components has material deficiencies, Wayne RESA may reject the deliverable without performing any further inspection or testing.
- (c) Wayne RESA will only approve a deliverable after confirming that it conforms to and performs according to its specifications without material deficiency. Wayne RESA may, in its discretion, conditionally approve a deliverable that contains material deficiencies if Wayne RESA elects to permit the Contractor to correct those deficiencies post-approval. The Contractor remains responsible for working diligently to correct within a reasonable time at the Contractor's expense, all deficiencies in the deliverable that remain outstanding at the time of Wayne RESA approval.
- (d) If, after three opportunities the Contractor is unable to correct all deficiencies, Wayne RESA may: (i) demand that the Contractor cure the failure and give the Contractor additional time to do so at the sole expense of the Contractor; (ii) keep the Contract in force and perform, either itself or through other parties, whatever the Contractor has failed to do, and recover the difference between the cost to cure the deficiency and the Contract price plus an additional amount equal to 10% of Wayne RESA's cost to cure the deficiency; or (iii) fully or partially terminate the Contract for default by giving notice to the Contractor. Notwithstanding the foregoing, Wayne RESA cannot use, as a basis for exercising its termination

rights under this Section, deficiencies discovered in a repeat Wayne RESA Review Period that could reasonably have been discovered during a prior Wayne RESA Review Period.

(e) Wayne RESA, at any time and in its reasonable discretion, may reject the deliverable without notation of all deficiencies if the acceptance process reveals deficiencies in a sufficient quantity or of a sufficient severity that renders continuing the process unproductive or unworkable.

11. Termination

11.1 Notice and Right to Cure

If the Contractor breaches the Contract, and Wayne RESA, in its sole discretion, determines that the breach is curable, Wayne RESA will provide the Contractor notice of the breach and a period of at least thirty (30) days to cure the breach. Wayne RESA does not need to provide notice or an opportunity to cure for successive or repeated breaches or if Wayne RESA determines, in its sole discretion, that a breach poses a serious and imminent threat to the health or safety of any person or the imminent loss, damage, or destruction of any real or tangible personal property.

11.2 Termination for Cause

(a) Wayne RESA may fully or partially terminate this Contract for cause by notifying the Contractor if the Contractor: (i) breaches any of its material duties or obligations (including a Chronic Failure to meet any SLA); or (ii) fails to cure a breach within the time period specified in a notice of breach provided by Wayne RESA

(b) The Contractor must pay all reasonable costs incurred by Wayne RESA in terminating this Contract for cause, including administrative costs, attorneys' fees and court costs, and any additional costs Wayne RESA incurs to procure the deliverable(s) from other sources. Re-procurement costs are not consequential, indirect, or incidental damages, and cannot be excluded by any other terms otherwise included in this Contract, provided the costs are not in excess of 50% more than the prices for the Deliverable(s).

(c) If Wayne RESA partially terminates this Contract for cause, any charges payable to the Contractor will be equitably adjusted to reflect those deliverable(s) that are terminated. Wayne RESA must pay for all deliverable(s) for which final acceptance has been granted before the termination date. Any services or related provisions of this Contract that are terminated for cause must cease on the effective date of the termination.

(d) If Wayne RESA terminates this Contract for cause and it is determined, for any reason, that the Contractor was not in breach of the Contract, the termination will be deemed to have been a termination under Section 11.6, Termination for Convenience, effective as of the same date, and the rights and obligations of the parties will be limited to those provided in that Section.

11.3 Termination for Convenience

Wayne RESA may fully or partially terminate this Contract for its convenience if Wayne RESA determines that a termination is in Wayne RESA's best interest. Reasons for the termination are within the sole discretion of Wayne RESA and may include: (a) Wayne RESA no longer needs the deliverable(s) specified in this Contract; (b) a relocation of office, program changes, or changes in laws, rules, or regulations make the Deliverable(s) no longer practical or feasible for Wayne RESA; (c) unacceptable prices for Contract changes; or (d) falsification or misrepresentation, by inclusion or non-inclusion, of information material to a response to any solicitation issued by Wayne RESA. Wayne RESA may terminate this Contract for its convenience by giving Contractor notice at least 30 days before the date of termination. If Wayne RESA chooses to terminate this Contract in part, any charges payable to the Contractor must be equitably adjusted to reflect those deliverable(s) that are terminated.

11.4 Termination for Criminal Conviction

Wayne RESA may terminate this Contract immediately and without further liability or penalty if the Contractor, an officer of the Contractor, or an owner of a 25% or greater share of the Contractor is convicted of a criminal offense related to a Wayne RESA, public, or private Contract or subcontract.

11.5 Rights and Obligations upon Termination

(a) If Wayne RESA terminates this Contract for any reason, the Contractor must:

- (i) stop all work as specified in the notice of termination;
- (ii) take any action that may be necessary, or that Wayne RESA may direct, to preserve and protect deliverable(s) or other Wayne RESA property in the Contractor's possession;
- (iii) return all materials and property provided directly or indirectly to the Contractor by any entity, agent, or employee of Wayne RESA;
- (iv) transfer title in and deliver to Wayne RESA, unless otherwise directed, all deliverable(s) intended to be transferred to Wayne RESA at the termination of the Contract (which will be provided to Wayne RESA on an "As-Is" basis except to the extent Wayne RESA compensated the Contractor for warranty services related to the materials);
- (v) to the maximum practical extent, take any action to mitigate and limit potential damages, including terminating or limiting subcontracts and outstanding orders for materials and supplies; and
- (vi) take all appropriate action to secure and maintain Wayne RESA information confidentially.

(b) If Wayne RESA terminates this Contract under Section 11.6, Termination for Convenience, Wayne RESA must pay the Contractor all charges due for deliverable(s) provided before the date of termination and, if applicable, as a separate item of payment, for work-in-progress, based on a percentage of completion determined by Wayne RESA. All completed or partially completed deliverable(s) prepared by the Contractor, at the option of Wayne RESA, become Wayne RESA's property, and the Contractor is entitled to receive equitable compensation for those deliverable(s). Regardless of the basis for the termination, Wayne RESA is not obligated to pay or otherwise compensate the Contractor for any lost expected future profits, costs, or expenses incurred with respect to deliverable(s) not actually completed.

(c) If Wayne RESA terminates this contract for any reason, Wayne RESA may assume, at its option, any subcontracts and agreements for deliverable(s), and may pursue completion of the deliverable(s) by replacement contract or as Wayne RESA deems expedient.

11.6 Reservation of Rights

In the event of any full or partial termination of this contract, each party reserves all rights or remedies otherwise available to the party.

11.7 Contractor Transition Responsibilities

If this Contract terminates under, Termination by Wayne RESA, the Contractor must make reasonable efforts to transition the performance of the work, including all applicable equipment, services, software, and leases, to Wayne RESA or a third party designated by Wayne RESA within a reasonable period of time that does not exceed 30 days from the date of termination. The Contractor must provide any required reports and documentation.

11.8 Termination by Contractor

If Wayne RESA breaches the contract and the Contractor, in its sole discretion, determines that the breach is curable, the Contractor will then provide Wayne RESA with notice of the breach and a time period (not less than thirty (30) days) to cure the breach.

The Contractor may terminate this Contract if Wayne RESA: (a) materially breaches its obligation to pay the Contractor undisputed amounts due; (b) breaches its other obligations to an extent that makes it impossible or commercially impractical for the Contractor to complete the deliverable(s); or (c) does not cure the breach within the time period specified in a notice of breach.

12. Additional Contract Terms

12.1 Federal Contract Provisions and Compliance Requirements

Attachment B includes regulatory provisions and clauses as required under 2 C.F.R. 200 and other federal regulations associated with the federal funding being provided under this Contract and is attached and incorporated by reference herein to the Master Agreement/Contract (the “Contract”).

ATTACHMENT B - FEDERAL CONTRACT PROVISIONS AND COMPLIANCE REQUIREMENTS

I. Procurement Policy

Procurement for Wayne RESA has provided a transparent, open, and fair opportunity for all eligible Contractors to participate. This bid has been made without collusion with any other person, firm or corporation making any bid or proposal, or who otherwise makes a bid or proposal. The Contractor must have available Contract or purchase order with the required approvals to receive payment for goods or services rendered. If the Contractor performs any work without a valid Contract or purchase order, the Contractor will not be paid.

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council as authorized by 41 U.S.C. § 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

I. Bonds and Insurance Requirements

Receipt of bonds and/or insurance is part of the process of determining which Contractor may be recommended for award to the Board. If cause is found to change the recommendation that a Contractor be awarded the contract, or if the Board does not approve the recommendation, Wayne RESA shall not be liable for any costs incurred by the Contractor in the bid process, including the cost of acquiring bonds and/or insurance. This Section is applicable only to Contracts pertaining to construction or facility improvement.

I. Equal Employment Opportunity

Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and

implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor".

- (a) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (b) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (c) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
- (d) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (e) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (f) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (g) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government Contracts or federally assisted construction Contracts in accordance with procedures authorized in Executive Order 11246 of

September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

- (h) Wayne RESA further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if Wayne RESA so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract. Wayne RESA agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. Wayne RESA further agrees that it will refrain from entering into any Contract or Contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government Contracts and federally assisted construction Contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, Wayne RESA agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this contract; refrain from extending any further assistance to Wayne RESA under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Wayne RESA; and refer the case to the Department of Justice for appropriate legal proceedings.

This requirement does not apply to the exercise of options previously addressed in the determination required at paragraph (d)(1)(ii) of this section. (ii) The determination shall be approved at the same level as the level to which the agency head authority in paragraph (d)(1)(ii) of this section is delegated.
